

File\_Manager::read  
\_input

```
graph LR; A[File_Manager::read_input] --> B[File_Manager::convertInt]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'File\_Manager::read' on the top line and '\_input' on the bottom line. The right box has a white fill and a black border, containing the text 'File\_Manager::convertInt'. A dark blue arrow points from the right side of the left box to the left side of the right box.

File\_Manager::convertInt
